2019-2020 REGISTRATION FORM

FUTURE INSPIRED NATIVE AMERICAN LEADERS ORIENTATION
<p>Enrollment for Future Inspired Native American Leaders program is on-going throughout the year. Orientations are scheduled throughout the year when new students apply with exception to the months of June and July. These months are designated for an overview of the Summer Academy event and will require admission to Phoenix College for classes. Participation in the Summer Academy requires a mandatory orientation for both Student and Parent/Guardian. Failure to attend one of the five orientations will prevent the student from participating in the Summer Academy but may continue in the program during the Fall 2019. Classes for Summer Academy will be taught by instructors at Phoenix College and students will enroll during the June or July orientation. Students will not be accepted into the Summer Academy if they have not attended one of the orientations with their Parent/Guardian and have not submitted all supporting documents by the final orientation date (July 8, 2019).</p>

SUMMER ACADEMY TRANSPORTATION
<p>Because each day is scheduled differently, transportation will be provided daily for students from a designated pick up location and will be dropped off at the same location. Early dismissal of a student is highly discouraged because they will miss valuable information at employee site visits and possibly receive a lower grade. People who are permitted to pick up a student should be listed in the Parent/Guardian Information and Emergency Contact section of this application. Students are not permitted to ride in vehicles without proper authorization by the parent/guardian. If a student is picked up early, proper identification must be presented to the Van Driver/Chaperone or the student will be transported back to the original drop off location.</p>
