Western Regional WIOA/477 Training

Indian and Native American Programs Workforce Innovation and Opportunity Act (WIOA)
November 7-11, 2022
Chandler, Arizona

Training Theme: *Resilience in an Ever-Changing Environment*

The 2022 Western Regional WIOA 166/477 Executive Committee is requesting submissions of original artwork to be used as A LOGO and other appropriate uses (printed in program, on bags) for the Western Regional Training to be held November 7-11, 2022 in Chandler, AZ. Chosen design will receive a \$200 honorarium.

To expand on the thoughts behind the creation of the theme, the word resilience was chosen because it is rooted in the American Indian culture. Resilience comes natural to our people. The words ever-changing reflect the advancement of technology and how many people we can reach using it, and the changes in types of jobs, how we work, how we interact with others and resources available.
